This campaign video was curated by Dance/NYC, from more than 150 video submissions from a cross-section of dance workers from choreographer to educator to administrator to fundraiser displaying our strength and power in numbers as a community. Due to the overwhelming amount of submissions, we were only able to include a portion of the videos for this compilation. However, in the next twelve weeks as the #ArtistsAreNecessaryWorkers campaign continues, we will be sharing the many more video submissions on our social media channels. Included above are Alice Sheppard, Andrea Miller, Donald Borrer, Eduardo Vilaro, Ephrat Asherie, Josh Prince, Maleek Washington, Lane Harwell, Marjani Forté-Saunders, Mark Morris, Tiffany Rea-Fisher, among a few others. [This is the full list of artist submissions.](#)

Dance/NYC convening is made possible, in part, by leadership support from the Howard Gilman Foundation and the Mertz Gilmore Foundation, and by public funds from the New York City Department of Cultural Affairs, in partnership with the City Council, and the New York State Council on the Arts.

Dance/NYC seeks partners and speakers with a variety of viewpoints for its events with the goal of generating discussion. The inclusion of any partner or speaker does not constitute an endorsement by Dance/NYC of that partner's or speaker's views.
