Absolute Beginners Workshop

Company: Flamenco NYC Venue: Flamenco NYC Location: New York, NY ► Share | Print | Download

Absolute Beginners is the ideal workshop to start dancing flamenco. We will cover and practice all basic aspects for students without prior flamenco dance experience. Classes will focus on strong footwork, upper body coordination, understanding flamenco music and compás, proper posture and breathing. We will begin to develop the muscle strength and dance skills necessary for flamenco dance as we learn a new choreography. Regardless of your dance background, if you have never studied flamenco, this is the way to begin.
