ABOUT

Peridance Ensemble is a new performance-based program for dancers between the ages of 17 and 23, which is designed to reflect the experience of being in a professional company. The program is structured to cultivate their artistry through technical training, collaborative rehearsal process, and performance.

The ensemble serves as a launchpad for those who aspire to have a professional career in dance. Students are given opportunities to perform throughout the tri-state area, work closely with world-renowned choreographers, develop their artistic voice through choreographic opportunities, and become a part of the larger global dance community in New York City.

This program runs from September 2024 - May 2025
