Dance/NYC Junior Committee 2022 Application

This application cycle has passed.

Dance/NYC invites eligible New York City metropolitan-based dance workers between the ages of 21-30 to submit applications to become members of the Dance/NYC Junior Committee for the 2021 term. The committee was created as a counterpart to Dance/NYC's Advisory Board to advocate specifically for early-career professionals in dance and to serve as a liaison between Dance/NYC and its emerging constituents. It has evolved into a professional development and networking program that serves dance workers across functions in dance ages 21-30 working in the New York City metropolitan area.

The Junior Committee executes its programming during the fiscal year, January to December annually. It values conversation and community and recognizes that "building a net that works" (People's Institute for Survival and Beyond) is essential to the dismantling of systems of oppression in the dance field and beyond. The first half of the JComm year is focused on strengthening the internal network. This work takes shape in various formats, and can include peer mentorship, participation in trainings, hosting internal conversations around critical field-wide issues, exploring and imagining solutions, and creating space to spend time together in community.

The committee brings those skills and conversations to the wider dance community by offering spaces for the JComm community to develop further through public-facing events which may include a session at Dance/NYC's annual Symposium and a Town Hall event over the second half of the JComm year. Though the community-building work is ongoing throughout the year, participating in the planning of public-facing events is an optional opportunity for members. Dance/NYC seeks a Junior Committee that represents a diversity of roles and perspectives in dance and that reflects the demographic makeup of the New York metropolitan area which is majority African, Latina/o/x, Asian, Arab, and Native American (ALAANA), is majority female, and includes trans/gender nonconforming/non-binary, disabled, and immigrant artists.

Membership Components and Expectations

This is an ad hoc committee and program of Dance/NYC. The Junior Committee has no oversight function with regard to Dance/NYC; Junior Committee members have the ability to contribute to Dance/NYC's programs and provide recommendations only. As this is a volunteer committee and professional development program, members have the ability to step down with prior notice to the Dance/NYC Junior Committee Co-Chairs.

The members are expected to:

- Attend two (2) meetings per month in 2022 starting on January 18th. Meetings take place on the first and third Tuesdays of the month from 6:30-8:00 p.m. and all meetings will take place via Zoom; approximate yearly commitment of 36 hours.
 - (Due to the presence of COVID-19, all Dance/NYC events, including Junior Committee meetings are taking place via Zoom for the foreseeable future. When in-person gatherings resume, the Junior Committee will return to a schedule of alternating in-person and virtual meetings.)
- Participate in justice, equity and inclusion trainings, including but not limited to an Anti-Racism/Community Organizing Training, a Bystander Intervention Training, a Beyond Accessibility Training, a Sanctuary Space Protocol Training, and potential others; approximate yearly commitment of 18 hours.
- Attend and/or volunteer at as many Dance/NYC events as they are interested in/able to attend and act as positive representatives of Dance/NYC in their wider roles in the community (strongly encouraged); recommended 4-12 hours.
