Martha Graham, the iconoclastic and brilliant dancer, choreographer, and creator of a dance technique, who influenced 20th century dance, music, film, theater, and art, formed her first dance company in 1926. In honor of this, the Martha Graham Company and school have begun a three-year international celebration of this artistic milestone. The Graham 2 Company, led by Virginie Mecene, will share Graham's philosophy and technique and perform several works from the Graham repertory. Come and celebrate with these young dancers.
