CBC is excited to be presenting five new works this semester, by Miro Magloire, Take Ueyama, Clara Monk, and student choreographers Rose Hollingsworth and Parker Whitehead-Bust. Our Spring Show will also feature a highly anticipated return of "Serenade", choreographed by George Balanchine and staged by Amanda Edge. Over the past 17 years, CBC's reputation for innovation and excellence has drawn talented new dancers and choreographers to Columbia University. We are immensely honored to provide the platform and community for many talented dancers who have chosen to continue their love of dance while pursuing higher education.

Show Dates: April 27th and 28th, 2024 at 7:30pm, at Alvin Ailey Citigroup Theater (405 W 55th Street, New York, NY 10019).
